American Heart Association

Basic Life Support for the Health Care Provider

Basic Life Support (BLS) for the Healthcare Provider is required in NYS for Dentists to keep their certification current during their license period.

This 3 M.C.E. - 2 year certification course provides hands on training in CPR and AED by National Heart Group, a team of highly trained professional American Heart Association instructors.

Infection Control and Bloodborne Pathogens

Dentist and Dental Hygienist are required to complete training in infection control and barrier precautions every 4 years for licensure. This course provides the NYS requirement and the CDC's newest guidelines and recommendations for dentistry.

This course may also be used to augment OSHA training in your office. 3 M.C.E.

The **National Heart Group, a Division of Prehospital Cardiac Training Associates** is the **NEW** provider for the Third District Dental Society's BLS for the Health Care Provider and Infection Control courses. The National Heart Group is a hospital and emergency medical training provider and an official American Heart Association multi-regional training center. Established in 2003, the instructors are doctors, nurses, Paramedics and EMTs with many years of teaching experience and emergency medical services.
